

## Datasheet: AHP1837

<b>Description:</b>	SHEEP ANTI HUMAN PREALBUMIN
<b>Specificity:</b>	PREALBUMIN
<b>Other names:</b>	TRANSTHYRETIN
<b>Format:</b>	Purified
<b>Product Type:</b>	Polyclonal Antibody
<b>Isotype:</b>	Polyclonal IgG
<b>Quantity:</b>	1 ml

## Product Details

### Applications

This product has been reported to work in the following applications. This information is derived from testing within our laboratories, peer-reviewed publications or personal communications from the originators. Please refer to references indicated for further information. For general protocol recommendations, please visit [www.bio-rad-antibodies.com/protocols](http://www.bio-rad-antibodies.com/protocols).

	Yes	No	Not Determined	Suggested Dilution
Flow Cytometry			▪	
Immunohistology - Frozen			▪	
Immunohistology - Paraffin			▪	
ELISA			▪	
Immunoprecipitation			▪	
Western Blotting			▪	
Immunodiffusion	▪			

Where this antibody has not been tested for use in a particular technique this does not necessarily exclude its use in such procedures. It is recommended that the user titrates the antibody for use in their own system using appropriate negative/positive controls.

<b>Target Species</b>	Human
<b>Product Form</b>	Purified IgG - liquid
<b>Antiserum Preparation</b>	Antisera to human prealbumin were raised by repeated immunisation of sheep with highly purified antigen.
<b>Buffer Solution</b>	Glycine buffered saline
<b>Preservative</b>	0.09% Sodium Azide
<b>Stabilisers</b>	0.1% EACA 0.01% Benzamidine 1mM EDTA
<b>Immunogen</b>	Human prealbumin.

---

**Synonyms** PALB

---

**Specificity** **Sheep anti Human Prealbumin antibody** recognises prealbumin, also known as transthyretin, a homotetrameric serum and cerebrospinal fluid protein which acts as a carrier for the thyroid hormone thyroxine. Each monomer is a 127 amino acid polypeptide. Prealbumin is synthesised principally in the liver and choroid plexus from where it is secreted into the serum and cerebrospinal fluid respectively.

Sheep anti Human Prealbumin antibody is also available as nephelometric grade whole serum and in bulk quantities. Please enquire for further details.

**Storage** Store at +4°C or at -20°C if preferred.

This product should be stored undiluted.

Storage in frost free freezers is not recommended. Avoid repeated freezing and thawing as this may denature the antibody. Should this product contain a precipitate we recommend microcentrifugation before use.

---

**Shelf Life** 18 months from date of despatch.
