

## Datasheet: BUF069B

<b>Description:</b>	PROTEIN STABILIZER
<b>Name:</b>	PROTEIN STABILIZER
<b>Format:</b>	Ready To Use
<b>Product Type:</b>	Accessory Reagent
<b>Quantity:</b>	1000 ml

## Product Details

### Applications

This product has been reported to work in the following applications. This information is derived from testing within our laboratories, peer-reviewed publications or personal communications from the originators. Please refer to references indicated for further information. For general protocol recommendations, please visit [www.bio-rad-antibodies.com/protocols](http://www.bio-rad-antibodies.com/protocols).

	Yes	No	Not Determined	Suggested Dilution
Immunoassay	▪			

Where this product has not been tested for use in a particular technique this does not necessarily exclude its use in such procedures. Suggested working dilutions are given as a guide only. It is recommended that the user titrates the product for use in their own system using appropriate negative/positive controls.

### Product Form

Ready to use - liquid

### Preparation

Clear to slightly cloudy liquid based on a mild Tris buffer with proprietary stabilizing components. Does not contain azide, mercury or other toxic components. Does not contain bovine serum albumin or any other material derived from bovine serum.

### Intended Use

Protein Stabilizer stabilizes antibodies and other proteins or biomolecules in solution. It may be used to stabilize ready-to-use pre-diluted standards and controls used in immunoassays.

### Instructions For Use

Determine optimal dilution factors by preparing a series of dilutions of the protein in Protein Stabilizer.

Proteins diluted in Protein Stabilizer may be stored for up to 24 months at 2 - 8°C without loss of activity.

### Storage

Store at +4°C. DO NOT FREEZE.

This product should be stored undiluted. This product is photosensitive and should be protected from light.

### Shelf Life

Please see label for expiry date

### Health And Safety Information

Material Safety Datasheet documentation #10519 available at <https://www.bio-rad-antibodies.com/uploads/MSDS/10519.pdf>
