

Datasheet: C07SAZ

Description:	GOAT SERUM:Preservative Free
Name:	GOAT SERUM
Format:	Preservative Free
Product Type:	Serum & Cells
Quantity:	100 ml

Product Details

Applications

This product has been reported to work in the following applications. This information is derived from testing within our laboratories, peer-reviewed publications or personal communications from the originators. Please refer to references indicated for further information. For general protocol recommendations, please visit www.bio-rad-antibodies.com/protocols.

	Yes	No	Not Determined	Suggested Dilution
Immunohistology - Frozen	▪			
Immunohistology - Paraffin	▪			
Functional Assays	▪			
Immunoassay	▪			

Where this product has not been tested for use in a particular technique this does not necessarily exclude its use in such procedures. Suggested working dilutions are given as a guide only. It is recommended that the user titrates the product for use in their own system using appropriate negative/positive controls.

Product Form	Serum - liquid
---------------------	----------------

Antiserum Preparation Whole serum is supplied 0.2um filtered.

Preservative Stabilisers	None Present
---------------------------------	--------------

Storage Store at -20°C Only.

Storage in frost free freezers is not recommended.

Avoid repeated freezing and thawing as this may denature the product. Should this product contain a precipitate we recommend microcentrifugation before use.

Shelf Life 12 months from date of despatch.
