|----------------------|------------------------|
| <b>Description:</b>  | HORSE SERUM WITH AZIDE |
| <b>Name:</b>         | HORSE SERUM            |
| <b>Format:</b>       | Serum                  |
| <b>Product Type:</b> | Serum & Cells          |
| <b>Quantity:</b>     | 100 ml                 |

## Product Details

### Applications

This product has been reported to work in the following applications. This information is derived from testing within our laboratories, peer-reviewed publications or personal communications from the originators. Please refer to references indicated for further information. For general protocol recommendations, please visit [www.bio-rad-antibodies.com/protocols](http://www.bio-rad-antibodies.com/protocols).

|                            | Yes | No | Not Determined | Suggested Dilution |
|----------------------------|-----|----|----------------|--------------------|
| Immunohistology - Frozen   | ■   |    |                |                    |
| Immunohistology - Paraffin | ■   |    |                |                    |
| Immunoassay                | ■   |    |                |                    |

Where this product has not been tested for use in a particular technique this does not necessarily exclude its use in such procedures. Suggested working dilutions are given as a guide only. It is recommended that the user titrates the product for use in their own system using appropriate negative/positive controls.
