

Datasheet: VMA00460

Description:	MOUSE ANTI PROSC
Specificity:	PROSC
Format:	Purified
Product Type:	PrecisionAb™ Monoclonal
Clone:	3A6
Isotype:	IgG1
Quantity:	100 µl

Product Details

Applications

This product has been reported to work in the following applications. This information is derived from testing within our laboratories, peer-reviewed publications or personal communications from the originators. Please refer to references indicated for further information. For general protocol recommendations, please visit www.bio-rad-antibodies.com/protocols.

	Yes	No	Not Determined	Suggested Dilution
Western Blotting	■			1/1000

PrecisionAb antibodies have been extensively [validated for the western blot application](#). The antibody has been validated at the suggested dilution. Where this product has not been tested for use in a particular technique this does not necessarily exclude its use in such procedures. Further optimization may be required dependant on sample type.

Target Species	Human
Species Cross Reactivity	Reacts with: Mouse N.B. Antibody reactivity and working conditions may vary between species.
Product Form	Purified IgG - liquid
Preparation	Purified IgG prepared by affinity chromatography on Protein G from ascites
Buffer Solution	Phosphate buffered saline
Preservative Stabilisers	0.09% Sodium Azide (NaN ₃) 1% Bovine Serum Albumin 50% Glycerol
Immunogen	Full length recombinant protein of human PROSC produced in <i>E. Coli</i> .
External Database Links	<p>UniProt: O94903 Related reagents</p> <p>Entrez Gene: 11212 PROSC Related reagents</p>

Specificity	Mouse anti Human PROSC antibody recognizes PROSC also known as proline synthase co-transcribed bacterial homolog protein. PROSC is a ubiquitously expressed 275 amino acid cytoplasmic protein highly conserved between divergent species (Ikegawa 1999). Mouse anti Human PROSC antibody detects a band of 30 kDa. The antibody has been extensively validated for western blotting using whole cell lysates.
Western Blotting	Anti PROSC detects a band of approximately 30 kDa in MOLT-4 cell lysate
Instructions For Use	Please refer to the PrecisionAb western blotting protocol . For additional information on secondary antibody dilution and exposure time see product web page.
Storage	Store undiluted at -20°C, avoiding repeated freeze thaw cycles.
Shelf Life	As supplied, 12 months from date of despatch.
Acknowledgements	PrecisionAb™ is a trademark of Bio-Rad Laboratories.
Health And Safety Information	Material Safety Datasheet documentation #10048 available at: Antibody (10048): https://www.bio-rad-antibodies.com/uploads/MSDS/10048.pdf
Regulatory	For research purposes only
