|                      |                                            |
|----------------------|--------------------------------------------|
| <b>Description:</b>  | RABBIT ANTI HIGH MOBILITY GROUP PROTEIN B1 |
| <b>Specificity:</b>  | HIGH MOBILITY GROUP PROTEIN B1             |
| <b>Format:</b>       | Purified                                   |
| <b>Product Type:</b> | PrecisionAb™ Polyclonal                    |
| <b>Isotype:</b>      | Polyclonal IgG                             |
| <b>Quantity:</b>     | 100 µl                                     |

## Product Details

### Applications

This product has been reported to work in the following applications. This information is derived from testing within our laboratories, peer-reviewed publications or personal communications from the originators. Please refer to references indicated for further information. For general protocol recommendations, please visit [www.bio-rad-antibodies.com/protocols](http://www.bio-rad-antibodies.com/protocols).

|                  | Yes | No | Not Determined | Suggested Dilution |
|------------------|-----|----|----------------|--------------------|
| Western Blotting | ■   |    |                | 1/1000             |

**PrecisionAb antibodies have been extensively [validated for the western blot application](#).** The antibody has been validated at the suggested dilution. Where this product has not been tested for use in a particular technique this does not necessarily exclude its use in such procedures. Further optimization may be required dependant on sample type.

|                                 |                                                                                                                                                                      |
|---------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Target Species</b>           | Human                                                                                                                                                                |
| <b>Species Cross Reactivity</b> | Reacts with: Rat<br><b>N.B.</b> Antibody reactivity and working conditions may vary between species.                                                                 |
| <b>Product Form</b>             | Purified IgG - liquid                                                                                                                                                |
| <b>Preparation</b>              | Rabbit polyclonal antibody purified by affinity chromatography                                                                                                       |
| <b>Buffer Solution</b>          | Phosphate buffered saline                                                                                                                                            |
| <b>Preservative Stabilisers</b> | 0.09% Sodium Azide (NaN <sub>3</sub> )<br>2% Sucrose                                                                                                                 |
| <b>Immunogen</b>                | Synthetic peptide directed towards the N terminal region of human high mobility group protein B1                                                                     |

|                                      |                                                                                                                                                                                                                                                                                                                                                                                                 |
|--------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Specificity</b>                   | <p><b>Rabbit anti Human high mobility group protein B1 antibody</b> recognizes high mobility group protein B1, also known as amphoterin, HMG-1 or Sulfoglucuronyl carbohydrate binding protein,</p> <p>Rabbit anti Human high mobility group protein B1 antibody detects bands of 25 and 29 kDa. The antibody has been extensively validated for western blotting using whole cell lysates.</p> |
| <b>Western Blotting</b>              | Anti High mobility group protein B1 detects bands of approximately 25 & 29 kDa in C6 cell lysates                                                                                                                                                                                                                                                                                               |
| <b>Instructions For Use</b>          | Please refer to the <a href="#">PrecisionAb western blotting protocol</a> . For additional information on secondary antibody dilution and exposure time see product web page.                                                                                                                                                                                                                   |
| <b>Storage</b>                       | Store undiluted at -20°C, avoiding repeated freeze thaw cycles                                                                                                                                                                                                                                                                                                                                  |
| <b>Shelf Life</b>                    | As supplied, 12 months from date of despatch                                                                                                                                                                                                                                                                                                                                                    |
